Comprehensive books to support study of History for the IB Diploma Paper 3, revised for first assessment in 2017. This coursebook covers Paper 3, HL option 2: History of the Americas, Topic 15: Political Developments in the United States (1945-1980) and Canada (1945-1982) of the History for the International Baccalaureate (IB) Diploma syllabus for first assessment in 2017. Tailored to the requirements of the IB syllabus, and written by experienced examiners and teachers it offers an authoritative and engaging guidance through the domestic issues and political developments in the United

States and Canada, particularly on the policies of leaders such as Truman, Kennedy, Nixon, Pearson and Trudeau. A new series of Exam Preparation guides for the IB Diploma Mathematics HL and SL and Mathematical Studies. This exam preparation guide for the IB Diploma Mathematical Studies course breaks the course down into chapters that summarise material and present revision questions by exam question type, so that revision can be highly focused to make best use of students' time. Students can stretch themselves to achieve their best with 'going for the top' questions for those who want to achieve the highest results. Worked solutions for all the mixed and 'going for the top' questions are included, plus exam hints throughout. Guides for Mathematics Higher Level and Standard Level are also available. Written by experienced teachers and school leaders with an in-depth understanding of teaching and assessments for the IB Sports, Exercise and Health Science SL and HL courses. This new TestPrep book in the Revise IB series helps students to familiarise themselves with the SEHS exams set by the International Baccalaureate. It provides information about the format of the papers and the types of exam questions included. Students can practise answering the questions by writing directly into the book, just like they do in the exam. And, as they work through, there are strategies, hints and support for answering the questions PLUS fully worked solutions at the end. From some excellent and unique multiple choice questions for Paper 1 to invaluable advice from the experts on how to tackle Papers 2 and 3, this book provides essential exam practice support for students revising for their Sports, Exercise and Health Science exams. Students will... Understand what to expect from the SEHS exam papers such as question types, how questions are assessed and how marks are assigned, plus information about the assessment objectives See example answers to Paper 1, Paper 2 and Paper 3-style questions - with brand new, unseen sample answers to exam-style questions and answer analysis from the point of view of an examiner. Test themselves - with three complete sets of exam-style SEHS practice papers (the first set includes loads of additional tips, examiner commentary and support to guide students to achieve high marks; the second set has fewer helpful prompts; the last set has no additional help and is designed so students can have a go at it themselves!). Check answers - with fully-worked solutions in the back of the book. Practice exam papers are one of the best ways to make sure students feel confident, reassured and prepared for their exams. With full sets of exam-style papers to work through, Sports, Exercise and Health Science: Revise IB TestPrep Workbook is the perfect resource for students to use as part of their exam revision - whether this is before the mock exams or before the real thing.

A dynamic and engaging course with relevant, authentic texts accompanied by creative activities. Explore the five new themes - Identities, Experiences, Human Ingenuity, Social Organisation and Sharing the Planet - with this clearly-structured coursebook. With over 50 per cent new content, lots of text handling exercises and more than 15 audio handling exercises for listening practice, this book helps students tackle the updated English B for the IB Diploma

syllabus. Sample exam material, new content for SL and HL oral assessments and references to online videos provide opportunities for students to develop their skills. Answers to coursebook questions are in the teacher's resource and audio for the listening practice is online.

Written by the authors of the current syllabus, this book will help address all the requirements of the new course at both standard and higher level. It will actively engage students in language and literature, allowing them to become informed and critical learners through understanding and producing language of a wide range of works, from poetry to political speeches to simple advertisements or graffiti. The range of exciting literature offers a fresh look at unfamiliar texts so that students are able to confidently encounter works and topics and develop and communicate understanding. Through interesting activities and model works, students will learn about the most current approaches to critical language in areas such as mass communications, language in cultural contexts and literature - in line with the new syllabus. Support is given for the assessment, including the oral commentary. The most comprehensive and accurate match to the most recent syllabus, developed with the IB and written by IB workshop leaders and authors of the syllabus Fully captures the IB spirit, thoroughly incorporating fresh and topical TOK to drive independent thought Comprehensive support for 'language in a cultural context,' building international-mindedness in a linguistic context Current, diverse and topical text extracts from Wikileaks to graffiti to advertisements will resonate with learners The best integration of the IB philosophy, with evocative activities to help students think creatively and discerning questions to drive critical thought Packed with accurate assessment support, directly from the IB, including model answers, assessments advice and more, completely aligned to the new assessment
